

### **Course Description for Foreign Languages (German) Minor Paper 3**

**Name of Institute:** Symbiosis School for Liberal Arts

**Course Name:** German A1 - Paper 3

**(UG/PG):** UG , Semester 5

**Number of Credits:** 4 (60 hours)

**Level:** 2

**Introduction:**

In this course, the students will develop text comprehension of medium difficulty level and application of the learnt language. They will be assessed on two criteria - communicating in a simple manner and responding to simple and uncomplicated speech.

This course also helps the students develop intercultural and communicative skills. On successful completion, students will be eligible for international certification.

Students will be given a short introduction to Germany, by talking about a vacation, tourist attractions, etc. They will also learn to use the past tense. Students will learn basic conversational skills required for shopping in a supermarket. They will learn to ask for prices, quantities, etc. The students shall also learn to understand a recipe. They will also be apprised about the eating habits and etiquette in Germany. Other topics include clothing, talking about the weather, body parts, illnesses, visiting a doctor, making appointments, insurance, etc.
